

TALKING CAMOGIE

THE CAMOGIE ASSOCIATION

The Camogie Association's national governing body is Ard Chomhairle (Central Council). It wants to bring proposals for debate and vote at the 2018 Annual Congress on games and fixtures. It wants to listen and hear the membership's views on these ideas.

WHAT ABOUT THE PLAYING RULES?

Here's some issues that come up regularly. What do you think?

- Hand pass goal
- The penalty, number of players in goal/distance from goal
- Different colour jersey for the goalkeeper
- Skorts for all or shorts for some or all
- Defining physical contact
- Better regulating the charge
- Disallow/allow shouldering

Players, referees, coaches, managers, mentors, administrators – have your say on changes to the game. You are invited to attend any session of your choice.

To book a place at one of the below meetings please e-mail: events@camogie.ie

DATE (7.30pm-9.30pm)	VENUE
20th JULY	ARMAGH CITY HOTEL
14th AUGUST	TULLYGLASS HOTEL, BALLYMENA

WHAT ARE THE MAIN IDEAS?

- 1 That a player has to be aged over 16 to be eligible to play adult club camogie (currently it's over 15).
- 2 That a player has to be aged over 18 to play adult intercounty Camogie and that the move towards this would be phased in (currently it's over 16).
- 3 That the All-Ireland Minor championship would change from its current national open draw structure to a Provincial structure with Connacht counties being accommodated in an equitable system.

These ideas have come from a national review of fixtures' structures undertaken in 2016. The full report of the Fixtures Review Committee [can be downloaded by clicking here](#)
